

1 DELEGATE MOSER: Yes.

2 DELEGATE SCHNEIDER: I understand what you mean
3 when the Court of Appeals or General Assembly shall -- but
4 I don't know what it means when it says "may". You are
5 saying either one or the other should do something. I am
6 kind of at a loss to understand how we can tell them that
7 they shall if we don't tell one or the other to do it.

8 DELEGATE MOSER: The constitutional mandate
9 would be satisfied if either one does.

10 THE CHAIRMAN: Delegate Schneider.

11 DELEGATE SCHNEIDER: I don't think that is an
12 answer to my question. If you are going to go in and enforce
13 this and you go to the Court and say it is constitutionally
14 mandated that the right of removal shall be provided and
15 the Court says -- who is the Court going to order to do it?
16 The General Assembly or the Court of Appeals, or can it
17 order either one, or can you order either one?

18 THE CHAIRMAN: Is that a question?

19 DELEGATE SCHNEIDER: I tried to make it a
20 question.

21 THE CHAIRMAN: Delegate Moser?
